Sponsored by:
Wood Education and Resource Center of Princeton, WV

Can Register by Mail or Online

The focus of the National Firewood Workshop is how businesses make money in firewood businesses

This Insect is Causing Lots of Problems for Landowners and Forest Managers and Driving the Need for More Kiln Dried Firewood

We Plan to Have Educational Credit Hours for Foresters, and Arborists

In accordance with Federal Law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. (Not all prohibited bases apply to all programs.)

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call (202) 720-5964 (voice and TDD). USDA is an equal opportunity provider and employer.
Who Can Benefit From Attending This Workshop?

- Firewood producers
- Firewood buyers
- Firewood equipment makers
- Foresters and arborists
- Landowners, loggers
- Extension agents
- Woodstove manufacturers

The workshop is a two day educational and networking event to provide the firewood processing industry the latest knowledge on processing, kiln drying and marketing of firewood.

Topics Include:

- Selling and marketing
- Finding buyers
- Purchasing requirements by wholesale brokers and chain store buyers
- Managing a firewood processing business
- Sourcing affordable logs
- Equipment for sawing and splitting
- Heating options for kilns
- Firewood quarantines
- Dry kiln equipment and methods
- Other related products
- Selling green and kiln dried split wood
- Firewood associations
- Urban logs as sources of firewood logs

Firewood Processing Has Been a Growing Segment of the Forest Products Industry
